All full-time undergraduate, international students, and athletes are automatically enrolled in the new Student Health Plan A and B. The cost is included in your tuition and billed to your student account each semester. Students MAY NOT waive out of Plan A. International Students MAY NOT waive out of Plan A or B.

Full-time domestic undergraduate students who have adequate health care coverage MAY elect to waive out of Plan B by completing the online waiver request. The semester charge for Plan B only will not be reversed unless an approved waiver request is granted by Florida Memorial University. Your approved waiver is valid for the full academic year, and a credit of \$339.50 will be applied to your student account each semester.

Graduate and Part-Time students may elect to purchase Plan A and B on a voluntary basis. Dental and Vision coverage is sold separately.
